

## Hampshire Netball League 2011-12

Saturday 17 September 2011

Lymington U14 v Applemore U14

The opening fixtures of the 2011 Hampshire Netball League saw two New Forest teams face each other. Lymington began well and were able to take an early advantage against an Applemore team who were new to the Hampshire League. Lymington converted most of their attempts at goal and found themselves 15-2 up after the first 15 minutes. The second quarter saw more of the same with the Lymington girls working hard to turn over much of Applemore's possession. The half-time score was 29-4. Positional changes were made by both sides at half-time but neither teams changes had any effect on the third quarter score which saw Applemore score just 1 goal in reply to Lymington's 12. Another shuffle of the line-up was more successful for the versatile Lymington girls when Lauren Frame moved from GD to GA and scored 8 goals from 11 attempts in the final quarter. Unfortunately a heavy fall saw Applemore's Kaitn Walker suffer a broken arm. Despite the 57-7 defeat, the Applemore girls continued to compete right up to the end and all members of the squad were given time on the court. Lymington may meet stronger opposition in their remaining fixtures but showed a good hunger and work-rate on their first outing of the season. Lymington: Tess Power; Megan Perrett, Amelia Perrett, Esme Rose, Katherine Rogers, Meredith Fisher, Lauren Frame, Hannah Phillips.
