Hampshire U14 League

Gosport & Fareham v Lymington

Lymington's U14's made the trip to Gosport for their second Hampshire League fixture. With both sides having had convincing wins in their first outings a close game was expected. The first quarter was indeed closely contested with the score shared 7-7. Positional changes in the Lymington side to try and counteract some of the Gosport playmakers took place at the first break. However, the second quarter remained tight and the half time score remained level at 19-19. In the third quarter Gosport capitalised on a few Lymington errors and attempts on the Lymington goal were less frequent. That meant Lymington went into the final quarter 3 goals down. Despite everybody's best efforts in the final quarter Lymington failed to get the goals back they needed and the final score was 43-41 to Gosport. Performances of note were Meredith Fisher who made life very difficult for her opponent and Megan Perrett who shot the majority of the 41 goals with very few missed attempts. A very tough game but the small margin meant Lymington went away with an extra bonus point.

U14's: Tess Power; Megan Perrett, Meredith Fisher, Esme Rose, Amelia Perrett, Lauren Frame, Hannah Phillips, Sam Gregory, Kathy Rogers.
