Southampton Junior Winter League

Lymington U12 v Swan Centre U12

The U12's first outing of the new season saw them face a Swan side who had beaten them in their last encounter. However, the Lymington girls, playing their first game in the regular 7-a-side version of the game started strongly. During the first period of 10 minutes Swan were unable to score a goal whilst Lymington converted 3 of their chances. The second quarter was much more even but Lymington's first period performance meant they could hold on to their half time 7-3 lead. The third quarter saw a few mistakes creep in as both sides applied maximum effort. Many turnovers by the defence and centre court players meant Swan's attempts were limited and they scored just 1 goal. Lymington replied with just 2 goals to leave the score 9-4 going into the final quarter. The last period saw the goal drought end with the most goals scored. Initially Swan mounted a strong comeback but the Lymington girls responded and saw the game out to win 14-8. With a squad of 9 players all girls were given equal court time and a good team performance was rewarded with a good win.

Lymington U12's: Libby Perrett, Lauren Perrett, Holly Streat, Poppy Gillings, Sarah Rogers, Natasha Frame, Hannah Gallagher, Charlotte Whittlesea, Summer Rose
